MEDICAID POLICY

Communication Works is not enrolled as a Medicaid provider; therefore, we are unable to submit claims to Medicaid and they will not reimburse us for services provided. If you are a Medicaid recipient you are able to choose whether you wish to use Communication Works as your provider, or you may choose a provider that accepts Medicaid.

If you have private insurance and Medicaid as supplementary insurance Communication Works will submit claims to your primary insurance company, but not to Medicaid. You will be personally responsible for all copays, coinsurance, and deductibles not covered by your primary insurance.

If Medicaid is your only insurance and you still choose Communication Works as your provider we will charge you our out-of-network fee for speech and language services.

Please initial to the left of each statement to indicate your understanding that Communication Works does not have a relationship with Medicaid.
